**Addendum No. 2
Issued: June 24, 2013**

This Addendum Number 02 is issued by e-mail on June 24, 2013. Except as modified hereby, the Request for Proposals ("RFP") remains unmodified.

Item #1

Revised Project Delivery: The consultant shall conduct two (2) assessments of the identified schools. The first assessment shall be completed and resulting recommendations shall be provided no later than August 9, 2013. The Department desires that the first assessment be both physical and operational to the greatest extent possible, however, the Department is cognizant that there may be limitations as a result of school not being in session during the first assessment. The Department expects that the consultant's second assessment will take place during September 2013 while the school is in session and that the balance of the operational aspects will be addressed at that time.

The Offeror's Lump Sum Prices for the Assessment Phase and the Analysis and Recommendations Phase should include the costs of performing both assessments and providing a set of recommendations following the initial assessment as well as an updated set of recommendations following the second assessment. The recommendations following the second assessment shall be comprehensive of both assessments.

Item #2

Form of Contract: A form of contract will not be issued during the solicitation process.
